APRYL

an ideal first home

An ideal first home or for those looking to downsize, the Apryl has it all. This efficiently designed single storey home features open plan dining, kitchen and family rooms creating the optimum living area.

The additional two bedrooms are perfect for your nursery, kids bedrooms or home office. Create the perfect extension of Apryl's open plan with an outdoor entertaining area off the family room.

The large master bedroom comes with a generous ensuite and walk-in wardrobe.

The Apryl shines as the ideal home all year round.
